

M&K

AUDITING AND CONSULTING

M&K Auditing and Consulting Services LLC >>>>

About the Firm:

Established in 1978 in Abu Dhabi under the name Kamil Damj – Certified Public Accountant and Auditor, the firm expanded with licenses in both Abu Dhabi and Al Ain. In 2017, it was renamed Independent Auditing, and in 2022, it adopted its current legal structure and name: M&K Auditing and Consulting Services LLC.

Our goal is to provide distinguished, credible, and transparent services, earning us the trust of clients and stakeholders alike.

Core Activities:

Auditing services:

- ✓ External auditing
- ✓ Internal auditing

Related services:

- ✓ Financial consulting
- ✓ Tax consulting
- ✓ All accounting services

We have served a large and diverse clientele over the years, maintaining a reputation for quality, confidentiality, and integrity—principles that define our longevity in the market.

Our Track Record >>>

- Served as legal and financial consultants for Media Consult International – Studio Homburg (Germany), managing the financial structure and providing expert reviews for their Abu Dhabi TV operations.
- Successfully resolved client disputes for leading financial institutions, notably Abu Dhabi Commercial Bank, leveraging our extensive expertise.
- Employ a team of seven skilled auditors who consistently deliver work in line with international standards.
- Audit services provided to over 300 companies and institutions across Abu Dhabi and Al Ain.
- Additional services include financial center evaluations and economic feasibility assessments.
- Committed to prioritizing quality over quantity, focusing on companies known for operational discipline and financial solvency.

Company Overview >>>>

- Specialists in auditing, accounting, tax, and business advisory.
- Dedicated to providing exceptional services to clients, the community, and UAE governmental entities.
- Two branches: Abu Dhabi and Al Ain.
- Certified professionals serving a wide range of industries.
- Focused on delivering honest, practical, and customized solutions after understanding each client's business environment and goals.
